

GUIDEVantage®

For Nonprofit and Human Services Organizations

To help you efficiently and effectively safeguard your organization, employees and the people you serve, we've developed GuideVantage, a suite of free or significantly discounted, beneficial value-added services and programs designed specifically for Nonprofit and Human Services customers.

Armed Intruder Training

Discounted in-person and online training, along with other resources, to help prepare for and respond to armed intruder situations.

Human Resource Services

Discounted background check and employment screening services for all organization types.

Non-Violent Intervention Training

Discounted non-violent and de-escalation training and certification programs to help organizations safely manage and prevent difficult behavior.

Online Giving Platform

Receive donations anytime, anywhere with text, website and in-app giving options with no hidden, or monthly costs, for GuideOne customers.

Preferred Claims & Risk Mitigation Vendors

As a wholly owned construction subsidiary of GuideOne, GC3 helps organizations rebuild after a loss with speed and craftsmanship they can trust.

A dedicated ServiceMaster program helps simplify the service request process for an emergency related to fire, water, haphazard, mold, temporary board up and roof covers.

Virtual claim inspections with GuideOne adjusters via video, text messages or emails, saving time and making the claims process easier for customers.

Complimentary Roost smart water leak and freeze detectors for eligible customers. These detectors alert organizations of water leaks or temperature changes through a mobile app.

Safety Resources

A complimentary online cyber risk management portal, for GuideOne customers with Cyber Suite coverage, that has resources to help mitigate exposures and minimize the effects of cyber incidents.

The comprehensive Safety Resources Library provides hundreds of free fact sheets, checklists, eBooks, webinars and more on a wide range of risk management topics.

Through our alliance with MinistrySafe and Abuse Prevention Systems, policyholders can sign up for a discounted membership to get access to abuse prevention trainings, tools and resources.
